SWISS + MENU

FOR

SPECIES-APPROPRIATE NUTRITION FOR YOUR DOG

DeliBest SWISS MENU is a complete feed made from fresh and natural ingredients which is manufactured in Switzerland and is optimally tailored to your dog's needs. The sausages contain just one source of animal protein and are free from preservatives, aromas and colouring agents. Since the vitamins are present in the fresh ingredients, we do not need to artificially add them at all. The meat is always derived from Swiss animals wherever possible. The sausages are available in 3 different sizes (200 g, 400 g and 800 g).

VITAL NATURA SNACK

FOR SKIN, COAT, METABOLISM AND JOINTS

The natural Vital Natura chew snack is a nutritious, gluten-free, low-fat protein source made from bovine scalp, suitable for all dogs. The hard consistency serves to strengthen teeth, the masticatory muscles and to improve dental hygiene. The Vital Natura snack contains natural collagen proteins that promote the skin and coat texture.
